**TITLE IV PLUS LOAN AUTHORIZATION**

The Federal Government requires Feather River College (FRC) to notify financial aid recipients of important issues regarding the use and disbursement of financial aid by giving the parent the opportunity to authorize the use of Federal Title IV financial aid funds.

If you're eligible for PLUS loans in excess of tuition and fees, you can use these funds to cover other FRC related charges and fines. The parent (you) authorizes FRC to apply Federal Title IV financial aid funds for non-institutional charges and miscellaneous fines (e.g. parking fines, library fines, etc.) stemming from the current academic year.

- Yes      Checking the "Yes" box will allow FRC to apply the credit balance derived from Federal Title IV financial aid funds to other charges on the student's account stemming from other non-institutional charges.
- No        Checking the "No" box means that all of the other educationally-related charges as defined above will be the student's responsibility.

Federal Title IV financial aid funds are restricted to payment of the current academic year tuition and fees. If the student has any prior year charges on their account, you may authorize FRC to apply Federal Title IV financial aid funds to pay for these charges. However, the amount applied to prior year charges may not exceed \$200, if the student has prior year charges in excess of this amount they will need to arrange for payment of any additional amount owed prior to continued enrollment.

- Yes      Checking the "Yes" box will allow FRC to apply the credit balance derived from Federal Title IV financial aid funds to prior year charges on the student's account stemming from the previous year – not to exceed \$200.
- No        Checking the "No" box means that all of the student's previous year's educationally related charges as defined above, regardless of the amount, will be the student's responsibility.

***I understand this is a voluntary authorization and is valid from the date of signing through the date of last enrollment at FRC for this academic year. At any time I can cancel or change it by submitting a new form to the Financial Aid Office. I further understand that the student will be responsible for paying any outstanding FRC debts if I cancel this authorization.***
