

## Community Education Class Summer 2017

### Learn to Play the Ukulele!

—Greg Willis

A ukulele class for beginners. This class is for those who are starting ukulele for the first time and beginners who already play, but need to review some of the basics (most self-taught beginners). Students will work on learning basic chords, strumming, picking melodies, and learning a few songs. Students will learn effective practice techniques, tuning, instrument care, and everything one needs to get started. Advanced beginners will visit the class to perform and offer help and encouragement. A workbook with songs, exercises, chords and more will be provided.

**Date:** July 11 - August 15, 2017

**Day of the Week:** Tuesdays

**Time of Day:** 6:00—8:00 p.m.

### Ukulele Workshop—Level 2

—Greg Willis

A ukulele class for beginners and intermediate players. This class is for those who already play a few chords and maybe a few songs, but need to review some of the basics (most self taught beginners) and would like to move on to some of the more advanced skills. Students will be expanding chord knowledge, playing techniques, performance skills and more while learning several songs. Students will learn effective practice techniques, ear training, song structure, some basic elements of theory and whatever it takes to get them to that next level of musicianship. Advanced beginners will visit the class to perform and offer help and encouragement. A workbook with songs, exercises, chords and more will be provided.

**Date:** July 13 - August 17, 2017

**Day of the Week:** Thursdays

**Time of Day:** 6:00—8:00 p.m.
